Dear Mr Collier,

EU ENVIRONMENTAL NOISE DIRECTIVE (2002/49/EC): ADOPTION OF ROUND 2 AIRPORT NOISE ACTION PLAN

I am writing to inform you that I have today formally adopted the noise action plan for London City Airport, as required by the Environmental Noise Directive and the Environmental Noise (England) Regulations 2006 (as amended).

In line with the updated guidance for airport operators to produce airport noise action plans, I am formally requesting that the final plan be published in an electronic format within 28 days.

The action planning process has provided a valuable opportunity for airports to bring together all their noise management activities into one living document. As living documents the plans must be reviewed and, if necessary revised, with the participation of the public whenever a major development occurs affecting the existing noise situation and at least every five years.

Best wishes,

Elizabeth Truss MP
Secretary of State for the Environment, Food and Rural Affairs
